

Parent's Guide for  
**Dance Pictures**

# 1

## Our Style

### Portrait Look

Our focus is on your child. We use a simple background and soft lighting to reproduce natural skin tone and beautiful costume colors.

### Expression

We want the most honest expression of your child possible, showing off their individual personality.

### Pose

Because we want to show your child's personality, our posing techniques are aimed at showcasing your dancer's unique abilities. We pay extra special attention to feet and hands for the best look.
